IN RE ALTA MESA RESOURCES, INC.  
SECURITIES LITIGATION

Civil Action No. 4:19-cv-00957

**DECLARATION OF CAROL C. VILLEGAS FILED ON  
BEHALF OF LABATON KELLER SUCHAROW LLP IN SUPPORT OF  
APPLICATION FOR AWARD OF ATTORNEYS' FEES AND EXPENSES**

I, CAROL C. VILLEGRAS, declare as follows:

1. I am a member of the firm of Labaton Keller Sucharow LLP (“Labaton” or the “Firm”). I am submitting this declaration in support of the application for an award of attorneys’ fees and expenses/charges (“expenses”) in connection with services rendered in the above-entitled action (the “Litigation”).
2. Labaton is counsel of record for Plaintiff and Class Representative Camelot Event Driven Fund, a Series of Frank Funds Trust (the “Camelot Fund”). As additional counsel in the Litigation, Labaton assisted with the investigation of the claims, drafting complaints in the Litigation, discovery matters following the Court’s order denying Defendants’ motions to dismiss, and assisted Class Counsel’s trial team. With respect to discovery, Labaton reviewed thousands of documents and took depositions of multiple witnesses, including certain Board of Director members and third-parties KPMG and Citigroup, as well as defended the deposition of a representative of the Camelot Fund. Counsel’s litigation efforts culminated in a trial in Houston, Texas from late October through December 2024, which Labaton assisted with and participated in.
3. The information in this declaration regarding the Firm’s time and expenses is taken from time and expense reports and supporting documentation prepared and/or maintained by the Firm in the ordinary course of business. I am one of the partners who oversaw the day-to-day activities of the Firm in connection with the Litigation and I, or others working with me, reviewed these reports (and backup documentation where necessary or appropriate) in connection with the preparation of this declaration. The purpose of this review was to confirm both the accuracy of the entries as well as the necessity for, and

reasonableness of, the time and expenses committed to the Litigation. As a result of this review, reductions were made to both time and expenses in the exercise of billing judgment. Based on this review and the adjustments made, I believe that the time reflected in the Firm's lodestar calculation and the expenses for which payment is sought herein are reasonable and were necessary for the effective and efficient prosecution and resolution of the Litigation.

4. After the reductions referred to above, the number of hours spent on the Litigation by my Firm is 10,488.9. A breakdown of the lodestar is provided in Exhibit A. The lodestar amount for attorney/professional support staff time, based on the Firm's 2024 rates, is \$6,964,337.50. The hourly rates shown in Exhibit A are consistent with the hourly rates submitted by the Firm in other securities class action litigation. The Firm's rates are set based on periodic analysis of the rates of firms performing comparable work, both on the plaintiff and defense side. Different timekeepers within the same employment category (*e.g.*, partners, associates, paralegals, etc.) may have different rates based on a variety of factors, including years of practice, years at the Firm, years in the current position (*e.g.*, years as a partner), relevant experience, relative expertise, and the rates of similarly experienced peers at this Firm or other firms. For personnel who are no longer employed by the Firm, the rate used for the lodestar calculation is based upon the rate for that person in his or her final year of employment with the Firm.

5. My Firm seeks an award of \$665,894.53 in expenses in connection with the prosecution of the Litigation. These expenses are summarized by category in Exhibit B.

6. The following is additional information regarding certain of these expenses:

(a) Filing, Witness, and Other Fees: \$100.00. This expense was paid to the Court in connection with a *pro hac vice* admission. *See Exhibit C.*

(b) PSLRA Notice: \$558.53. This expense was necessary under the Private Securities Litigation Reform Act of 1995's "early notice" requirements, which provide, among other things, that:

Not later than 20 days after the date on which the complaint is filed, the plaintiff or plaintiffs shall cause to be published, in a widely circulated national business-oriented publication or wire service, a notice advising members of the purported plaintiff class – (I) of the pendency of the action, the claims asserted therein, and the purported class period; and (II) that, not later than 60 days after the date on which the notice is published, any member of the purported class may move the court to serve as lead plaintiff of the purported class.

*See 15 U.S.C. §78u-4(a)(3)(A)(i).*

(c) Work-Related Transportation, Hotels, and Meals: \$38,010.95. In connection with the prosecution of this case, the Firm paid for work-related transportation (such as airfare and ground transportation in connection with business purposes, such as trips and working after-hours), meals (while traveling or in connection with business purposes, such as working after-hours), and lodging related to travel. All airfare has been reduced to economy rates. The date, destination and purpose of each out-of-town trip is set forth in Exhibit D.

(d) Duplicating: \$14,363.22. In connection with this case, the Firm made 8,469 in-house black and white copies/print outs, at \$0.20 per page, and 31,604 in-house color copies/print outs, at \$0.40 per page, for a total of 40,073 pages. Each time an in-house copy machine or printer is used, our system requires that an administrative client-matter code be entered and that is how the 40,073 pages were identified as related to this case. My Firm

also paid \$28.02 for copies at a FedEx Location in Texas in connection with deposition exhibits. A breakdown of these costs is set forth in Exhibit E.

(e) Online Legal and Financial Research: \$15,539.57. This category includes vendors such as Court Alert, Thomson Research, Pacer, Thomson West (Westlaw), and LexisNexis Risk Solutions. These resources were used to obtain access to SEC filings, court filings, factual and financial information, and to conduct investigative and legal research. The costs for these vendors vary depending upon the type of services requested and usage is tracked using an administrative client-matter code.

(f) My firm contributed \$590,000.00 to the joint litigation expense fund maintained by Class Counsel for certain common expenses in connection with the prosecution of this case. A breakdown of the contributions to, and payments made from, the litigation expense fund is attached as an exhibit to the Declaration of Andrew J. Entwistle Filed on Behalf of Entwistle & Cappucci LLP in Support of Application for Award of Attorneys' Fees and Expenses, filed herewith.

7. The expenses pertaining to this case are reflected in the books and records of my Firm. These books and records are prepared from receipts, expense vouchers, check records, and other documents and are an accurate record of the expenses.

8. The identification and background of my Firm and its partners is attached hereto as Exhibit F.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 25th day of March, 2025, at New York, NY

Our success is driven by the Firm's robust infrastructure, which includes one of the largest in-house investigative teams in the plaintiffs' bar.

**Corporate Governance and Shareholder Rights Litigation:** Our breadth of experience in shareholder advocacy has also taken us to Delaware, where we press for corporate reform through our Wilmington office. These efforts have already earned us a string of enviable successes, including the historic \$1 billion cash settlement three weeks before trial in *In re Dell Technologies Inc. Class V Stockholders Litigation*, the largest shareholder settlement ever in any state court in America and the 17th largest shareholder settlement of all time in federal and state court, and a \$153.75 million settlement on behalf of shareholders in *In re Freeport-McMoRan Copper & Gold Inc. Derivative Litigation*, one of the largest derivative settlements ever achieved in the Court of Chancery.

**Consumer Protection and Data Privacy Litigation:** Labaton Keller Sucharow is dedicated to putting our expertise to work on behalf of consumers who have been wronged by fraud in the marketplace. Built on our world-class litigation skills, deep understanding of federal and state rules and regulations, and an unwavering commitment to fairness, our Consumer Protection and Data Privacy Litigation focuses on protecting consumers and improving the standards of business conduct through litigation and reform. ## Securities Class Action Litigation Practice

Labaton Keller Sucharow has been an advocate and trusted partner on behalf of institutional investors for more than 60 years. As a result of the significant victories the Firm has obtained for clients, Labaton Keller Sucharow has earned a reputation as a leading law firm for pension funds, asset managers, and other large institutional investors across the world.

Since the passage of the Private Securities Litigation Reform Act of 1995 (PSLRA), the Firm has recovered more than **\$27 billion** for injured investors through securities class actions prosecuted throughout the United States against numerous public corporations and other corporate wrongdoers.

We have earned the trust of our clients and the courts, serving as lead counsel in some of the most intricate and high-profile securities fraud cases in history. These notable recoveries would not be possible without our exhaustive case evaluation process, which allows our securities litigators to focus solely on cases with strong merits. The benefits of our selective approach are reflected in the low dismissal rate of the securities cases we pursue, a rate well below the industry average.

Our attorneys are skilled in every stage of business litigation and have challenged corporations from every sector of the financial markets. More than half of the Firm's partners have trial experience. In many instances, this broad experience with every stage of litigation is supplemented by knowledge and expertise gained from prior professional experience. For example, seven of the Firm's partners have worked in government, including the Department of Justice (DOJ).

From investigation to the litigation of claims, we work closely with our clients to provide the information and analysis necessary to fully protect their investments. Labaton Keller Sucharow is one of the first firms in the country to have a dedicated, in-house investigations department. ***The Firm stands out in the securities class action bar in that our monitoring, investigation, and litigation services are all performed in-house.***

The Firm's success is reflected in the results Labaton Keller Sucharow achieves for its clients. Our world-class case evaluation and development services are informed by our experience serving as lead/co-lead counsel in more than 275 U.S. federal securities class actions.

### Representative Experience

Labaton Keller Sucharow has achieved notable successes in financial and securities class actions on behalf of investors, including the following:

### ***In re American International Group, Inc. Securities Litigation***

In one of the most complex and challenging securities cases in history, Labaton Keller Sucharow secured more than **\$1 billion** in recoveries on behalf of co-lead plaintiffs Ohio Public Employees Retirement System, State Teachers Retirement System of Ohio, and Ohio Police and Fire Pension Fund in a case arising from allegations of bid rigging and accounting fraud. To achieve this remarkable recovery, the Firm took over 100 depositions and briefed 22 motions to dismiss. The full settlement entailed a \$725 million settlement with American International Group (AIG), a \$97.5 million settlement with AIG's auditors, a \$115 million settlement with former AIG officers and related defendants, and an additional \$72 million settlement with General Reinsurance Corporation.

### ***In re Countrywide Financial Corp. Securities Litigation***

Labaton Keller Sucharow, as lead counsel for the New York State Common Retirement Fund and the five New York City public pension funds, secured a \$624 million settlement on behalf of investors in one of the nation's largest issuers of mortgage loans. The Firm's focused investigation and discovery efforts uncovered incriminating evidence of credit risk misrepresentations. The settlement is one of the top 20 securities class action settlements in the history of the PSLRA.

### ***In re Apple Inc. Securities Litigation***

Labaton Keller Sucharow secured a \$490 million settlement of behalf of our client the Employees' Retirement System of the State of Rhode Island. The case involves Apple's January 2017 software update that allegedly secretly slowed the performance of certain iPhones with battery-related issues, leading consumers to prematurely believe their devices had become obsolete and upgrade their iPhones at a fast rate. Apple revealed it had been intentionally slowing down certain iPhones, also disclosing that the problem was battery-related, as opposed to device-related, and offered discounted replacement batteries throughout 2018 in light of public outrage. The deliberate materially false and misleading statements also disregarded the U.S.-China trade war, declining Chinese economy, and the strength of the U.S. dollar had negatively impacted demand for iPhones in Greater China, Apple's third-largest marketing and most important growth market.

### ***In re HealthSouth Corp. Securities Litigation***

Labaton Keller Sucharow served as co-lead counsel to New Mexico State Investment Council in a case stemming from one of the largest frauds ever perpetrated in the healthcare industry. The \$671 million settlement recovered for the class is one of the top 15 securities class action settlements of all time. In early 2006, lead plaintiffs negotiated a settlement of \$445 million with defendant HealthSouth. In 2009, the court also granted final approval to a \$109 million settlement with defendant Ernst & Young LLP. In addition, in 2010, the court granted final approval to a \$117 million settlement with the remaining principal defendants in the case—UBS AG, UBS Warburg LLC, Howard Capek, Benjamin Lorello, and William McGahan.

### ***In re Schering-Plough/ENHANCE Securities Litigation***

As co-lead counsel, Labaton Keller Sucharow secured a \$473 million settlement on behalf of co-lead plaintiff Massachusetts Pension Reserves Investment Management Board. The settlement was approved after five years of litigation and just three weeks before trial. This recovery is one of the largest securities fraud class action settlements against a pharmaceutical company. The Special Masters' Report noted, "The outstanding result achieved for the class is the direct product of outstanding skill and perseverance by Co-Lead Counsel . . . no one else . . . could have produced the result here—no government agency or corporate litigant to lead the charge and the Settlement Fund is the product solely of the efforts of Plaintiffs' Counsel."

### ***In re Waste Management, Inc. Securities Litigation***

Labaton Keller Sucharow achieved an extraordinary settlement that provided for the recovery of \$457 million in cash, plus an array of far-reaching corporate governance measures. Labaton Keller Sucharow represented lead plaintiff Connecticut Retirement Plans and Trust Funds. At the time of the settlement, it was the largest common fund settlement of a securities action achieved in any court within the Fifth Circuit and the third largest achieved in any federal court in the nation.

### ***In re General Motors Corp. Securities Litigation***

Labaton Keller Sucharow secured a settlement of \$303 million as co-lead counsel in a case against automotive giant General Motors (GM) and its auditor Deloitte & Touche LLP (Deloitte). The final settlement is one of the largest settlements ever secured in the early stages of a securities fraud case, which consisted of a cash payment of \$277 million by GM and \$26 million in cash from Deloitte. Lead plaintiff Deka Investment GmbH alleged that GM, its officers, and its outside auditor overstated GM's income by billions of dollars and GM's operating cash flows by tens of billions of dollars, through a series of accounting manipulations.

### ***Wyatt v. El Paso Corp.***

Labaton Keller Sucharow secured a \$285 million class action settlement against the El Paso Corporation on behalf of the co-lead plaintiff, an individual. The case involved a securities fraud stemming from the company's inflated earnings statements, which cost shareholders hundreds of millions of dollars during a four-year span. Upon approving the settlement, the court commended the efficiency with which the case had been prosecuted, particularly in light of the complexity of the allegations and the legal issues.

### ***In re Bear Stearns Cos., Inc. Securities, Derivative & ERISA Litigation***

Labaton Keller Sucharow served as co-lead counsel, securing a \$294.9 million settlement on behalf of lead plaintiff State of Michigan Retirement Systems and the class. The action alleged that Bear Stearns and certain officers and directors made misstatements and omissions in connection with Bear Stearns' financial condition, including losses in the value of its mortgage-backed assets and Bear Stearns' risk profile and liquidity. The action further claimed that Bear Stearns' outside auditor, Deloitte, made misstatements and omissions in connection with its audits of Bear Stearns' financial statements for

fiscal years 2006 and 2007. Our prosecution of this action required us to develop a detailed understanding of the arcane world of packaging and selling subprime mortgages. Our complaint was called a “tutorial” for plaintiffs and defendants alike in this fast-evolving area. After surviving motions to dismiss, the court granted final approval to settlements with the defendant Bear Stearns for \$275 million and with Deloitte for \$19.9 million.

### ***In re Massey Energy Co. Securities Litigation***

Labaton Keller Sucharow secured a \$265 million all-cash settlement as co-lead counsel representing the Commonwealth of Massachusetts Pension Reserves Investment Trust in a case arising from one of the most notorious mining disasters in U.S. history. The settlement was reached with Alpha Natural Resources, Massey’s parent company. Investors alleged that Massey falsely told investors it had embarked on safety improvement initiatives and presented a new corporate image following a deadly fire at one of its coalmines in 2006. After another devastating explosion, which killed 29 miners in 2010, Massey’s market capitalization dropped by more than \$3 billion.

### ***Boston Retirement System v. Uber Technologies, Inc.***

Labaton Keller Sucharow achieved a \$200 million settlement serving as lead counsel representing Boston Retirement System in an action against Uber Technologies Inc. The case alleges that offering documents for Uber’s May 2019 IPO misleadingly heralded a “new day at Uber” and that Uber had left its checkered history in the past, while failing to disclose material facts concerning Uber’s global playbook for illegally launching and operating its ridesharing business, illegal misclassification of Uber drivers as independent contractors rather than employees, deficient safety policies and practices that led to sexual assaults and other abuses, slowing growth, and massive restructuring and layoffs planned for the weeks and months after the IPO. The Firm overcame several hurdles to reach a settlement, including defeating Defendants’ motion to appeal class certification in the U.S. Court of Appeals for the Ninth Circuit and overcoming Defendants’ request to block the depositions of 16 high-level Uber executives and members of the board of directors.

### ***Eastwood Enterprises, LLC v. Farha (WellCare Securities Litigation)***

Labaton Keller Sucharow served as co-lead counsel and secured a \$200 million settlement on behalf of the New Mexico State Investment Council and the Public Employees Retirement Association of New Mexico over allegations that WellCare Health Plans, Inc., a Florida-based healthcare service provider, disguised its profitability by overcharging state Medicaid programs. Further, under the terms of the settlement approved by the court, WellCare agreed to pay an additional \$25 million in cash if, at any time in the next three years, WellCare was acquired or otherwise experienced a change in control at a share price of \$30 or more after adjustments for dilution or stock splits.

### ***In re SCANA Corporation Securities Litigation***

Labaton Keller Sucharow served as co-lead counsel and secured a \$192.5 million settlement on behalf of the class and co-lead plaintiff West Virginia Investment Management Board in this matter against a

regulated electric and natural gas public utility. When the case settled in 2019, it represented the largest securities fraud settlement in the history of the District of South Carolina. The action alleged that for a period of two years, the company and certain of its executives made a series of misstatements and omissions regarding the progress, schedule, costs, and oversight of a key nuclear reactor project in South Carolina. Labaton Keller Sucharow conducted an extensive investigation into the alleged fraud, including by interviewing 69 former SCANA employees and other individuals who worked on the nuclear project. In addition, Labaton Keller Sucharow obtained more than 1,500 documents from South Carolina regulatory agencies, SCANA's state-owned junior partner on the nuclear project, and a South Carolina newspaper, among others, pursuant to the South Carolina Freedom of Information Act (FOIA). This information ultimately provided the foundation for our amended complaint and was relied upon by the court extensively in its opinion denying defendants' motion dismiss.

### ***In re Bristol-Myers Squibb Securities Litigation***

Labaton Keller Sucharow served as lead counsel representing the lead plaintiff, union-owned LongView Collective Investment Fund of the Amalgamated Bank (LongView), against drug company Bristol-Myers Squibb (BMS). LongView claimed that the company's press release touting its new blood pressure medication, Vanlev, left out critical information—that undisclosed results from the clinical trials indicated that Vanlev appeared to have life-threatening side effects. The Food and Drug Administration (FDA) expressed serious concerns about these side effects and BMS released a statement that it was withdrawing the drug's FDA application, resulting in the company's stock price falling and losing nearly 30 percent of its value in a single day. After a five-year battle, we won relief on two critical fronts. First, we secured a \$185 million recovery for shareholders, and second, we negotiated major reforms to the company's drug development process that will have a significant impact on consumers and medical professionals across the globe. Due to our advocacy, BMS must now disclose the results of clinical studies on all of its drugs marketed in any country.

### ***In re Fannie Mae 2008 Securities Litigation***

Labaton Keller Sucharow secured a \$170 million settlement as co-lead counsel on behalf of co-lead plaintiff Boston Retirement System. The lead plaintiffs also alleged that defendants made misstatements with respect to Fannie Mae's core capital, deferred tax assets, other-than-temporary losses, and loss reserves. Labaton Keller Sucharow successfully argued that investors' losses were caused by Fannie Mae's misrepresentations and poor risk management, rather than by the financial crisis. This settlement is a significant feat, particularly following the unfavorable result in a similar case involving investors in Fannie Mae's sibling company, Freddie Mac.

### ***In re Broadcom Corp. Class Action Litigation***

Labaton Keller Sucharow served as lead counsel on behalf of lead plaintiff New Mexico State Investment Council in a case stemming from Broadcom Corp.'s \$2.2 billion restatement of its historic financial statements for 1998-2005. In 2010, the Firm achieved a \$160.5 million settlement with Broadcom and two individual defendants to resolve this matter, representing the second largest up-front cash settlement ever recovered from a company accused of options backdating. Following a Ninth Circuit ruling confirming that outside auditors are subject to the same pleading standards as all other defendants, the district court denied the motion by Broadcom's auditor, Ernst & Young, to dismiss on the ground of loss causation. This ruling is a major victory for the class and a landmark decision by the court—the first of its kind in a case arising from stock-options backdating. In 2012, the court approved a \$13 million settlement with Ernst & Young.

The plaintiffs alleged that IT consulting and outsourcing company, Computer Sciences Corporation (CSC), fraudulently inflated its stock price by misrepresenting and omitting the truth about the state of its most visible contract and its internal controls. In particular, the plaintiffs alleged that CSC assured the market that it was performing on a \$5.4 billion contract with the UK National Health Service when CSC internally knew that it could not deliver on the contract, departed from the terms of the contract, and as a result, was not properly accounting for the contract.

The suit alleges that Conduent and its former CEO and former CFO falsely represented to investors that the company had addressed legacy IT issues it faced after its spin-off from Xerox. After extensive delays, Conduent finally started to migrate and consolidate its data centers without the necessary IT mapping resulting in severe network outages and service issues for multiple cashless tolling clients from several states including New York, Maryland, New Jersey, and Texas, which withheld revenue from or fined Conduent for its failure to meet its service requirements under its tolling contracts with those agencies.

In denying defendants' motion to dismiss, the court concluded that the "additional allegations . . . alter[ed] the alleged picture with respect to scienter" and showed "with a degree of particularity . . . that the problems with DeVry's [representations] . . . were broad in scope and magnitude."
